Theatrical Notes

The Metropolitans come to the Kentucky theater Thursday night and present two burlesques by a selected cast of talent.

The performance opens with West Point Cadets, featuring a bevy of pretty girls and abounds with funny climaxes. This is followed by a vaudeville bill of seven headline acts.

A rare dramatic treat is promised the theatergoers of this city, when Miss Viola Allen presents Clyde Fitch's play, "The Toast of the Town," at the Kentucky Tuesday, May 8. Mr. Fitch is said to have given this play greater attention than any drama he has turned out in recent years, and with resultant success. Miss Allen's judgment in the selection of plays has been phenomenal, and so "The Toast of the Town" may be counted on as being something out of the usual run of things theatrical.

THE INDIANS BEING DIETED

With Just a Proper Portion of
Field Practice.

Worked Out Both Morning and Afternoon but Not Overworked Either.

LINE UP FOR INITIAL GAME.

"Chief" Lloyd in giving his Indians a diet of practice and the Indians are showing up in great form. Every morning and afternoon light work is indulged in, and every particle of soreness has gotten out of the players. They will be in excellent trim for the opening game, barring any accidents which may happen in the meantime.

McClain can now use his left hand without pain. The swelling has about gone down and the little fielder is ready for the fray.

Chief Lloyd has stated that he will probably send Weldon South to pitch the first game. South is in excellent condition, and has got a great deal more steam this year than he had last. He seems to have perfect control, too, and South looks fair to be the Indians' star twirler.

The team will line up as follows for the initial game:

McClain, Jr.; Taylor, cf.; Miller, rf.; Wetzel, 3b.; Haas, 1b.; Gilligan, 2b.; Perry, ss.; Chenault or Nippert, c.; South or Tadlock, p.

Lloyd has said nothing about the opening day, but it is presumed some kind of demonstration will be made. There will be the usual parade with possibly a band, and the Indians will probably be followed to the park by one of the largest crowds of the season, the weather permitting.

"Red" Gilligan Dead.

Press dispatches announce the death of Thomas P. Gilligan, known the baseball world over as "Red" Gilligan, at his home in Wheeling, W. Va. Gilligan played with Paducah in 1905 and was with Hopkinsville in 1906. He was at one time in the Southern league and one of the fastest outfielders in the country. He played the infield in the Kitty league but had retrograded in activity. His head work was such that turned defeats into victory at the last moment, and his work was appreciated in Paducah. His friends here will receive the news with much regret.

Platt in Good

Platt is still doing his good, consistent work. At Toledo Sunday he pitched his team, the Toledo, to a 12 to 1 victory over Minneapolis. Toledo won by good work with the stick, while Platt, so the dispatches say, was a puzzle to the Minneapolis team.

Dyer Wakes Up.

Hero is what Wallace Dyer, in the Evansville Courier, says about the Evansville bunch of Irish-Americans. He seems to have become convinced that it is not the "drunken unprincipled" stall that is really accountable for the losing streak of the home team. "Evansville fans are not satisfied. If Jimmy Ryan could hear the disheartened ones when they get together and say things these evenings he would put a pitcher in left field, hike for the parts of the country, where ball players grow on trees and knock a few from the limbs of a forested tree."

A Colored Team.

The "Sterlings" and "Walkovers," colored teams, played Sunday at Eighth and Burnett streets, and the latter team was victorious. The score was 14 to 3. Batteries: Walkover, Ben Boyd, Charlie Barnes;

PILES CURED QUICKLY AT HOME

Why Suffer Any Longer When You Can Get a Quick, Sure Cure for Your Piles by Simply Sending Your Name and Address?

Trial Package is Sent Absolutely Free, in Plain Wrappers to Everyone Who Writes.

Surgeons themselves consider a permanent cure of piles by a surgical operation as very doubtful and resort to it only when the patient has become desperate from long continued pain and agony. But the operation itself is every bit as excruciating and nerve-racking as the disease. Besides, it is humiliating and expensive, and rarely a success.

The wonderful Pyramid Pile Cure makes an operation unnecessary. You cure yourself with perfect ease, in your own home, and for little expense.

Pyramid Pile Cure gives you instant relief. It immediately heals all sores and ulcers, reduces congestion and inflammation and takes away all pain, itching and irritation. Just a little of the treatment is usually sufficient to give a permanent cure.

Pyramid Pile Cure is prepared in the form of suppositories so that they can be applied directly to the parts without inconvenience or interrupting your work in any way.

We are sending a trial treatment free of charge, in every one who sends name and address. We do this to prove what we say about this wonderful remedy is true.

After you have tried the sample treatment, and you are satisfied, you can get a full regular-sized treatment of Pyramid Pile Cure at your druggist's for 50 cents. If he hasn't it, send us the money and we will send you the treatment at once, by mail, in plain sealed package.

Send your name and address at once for a trial of this marvelous quick, sure cure. Address Pyramid Drug Co., 1617 Pyramid Building, Marshall, Michigan.

Sterlings—Pondleton, Woodson, The Walkovers claim to be the "first," colored team of the city and open to all challenges.

Nippert's Wing.

Catcher Ben Nippert, Paducah's new acquisition, has a "wing" equal to any catcher's in the Kitty league. It is said. Yesterday Nippert went out to "get in line" on the infield. He threw the bases with ease showing that his arm is as young as ten years ago. With the acquisition of "Nip" the fans feel confident that the Indians' strength is more than 10 per cent greater than last year, even with the absence of Band and Platt.

ALLEGED SABBATH BREAKERS.

Warrant Taken Out Today Against Carnival Association.

H. L. McCarney and J. M. Gentry, residents near Twelfth and Trimble streets, the site of the carnival grounds, swore out warrants this afternoon in Justice Charles Emery's court against the officers of the Paducah Carnival Association and the contractors putting up the fence and main entrance. Wes Flowers one of the concession men; Paducah Transfer company, Ben Boyd and Fred P. Watts, the latter of the Cosmopolitan Carnival company, for violating the Sabbath by working on the fence and setting up carnival shows Sunday.

The case has been set for trial for Friday morning at 10 o'clock. It is understood the residents objected to the carnival company putting its shows on the ground on Sunday, alleging that it interfered with the quietude of the neighborhood.

PARK BOARD ORGANIZES

Dr. Murrell Chosen President,
Mr. Walters Secretary.

Commissioners Being Without Funds
Can Only Prepare for Work
Next Year.

COUNCIL MUST MAKE LEAVE.

O O O O O O O O O O O O
O DR. D. G. MURRELL, President.
O GEORGE W. WALTERS, Secretary.
O O O O O O O O O O O O

The board of park commissioners met this morning at the city hall and after organizing and being sworn in by City Clerk Bailey elected the above as officers. The terms are for one year.

Dr. D. G. Murrell is the well known I. C. biologist. Mr. Walters is manager of The Sun job office.

The board aside from organizing transacted no business, but adjourned subject to the call of the president.

There are no funds available this year for the purchase of parks, or to enable the board to do any work to any degree, but the board will look over many sites already suggested for parks, perfect rules and laws governing the body, and have everything ready for next year, when it will have funds raised in the tax levy, which it is mandatory on the council to provide.

NEW ISLAND CREEK BRIDGE.

Proposition to Build for Crossing by Car Line.

Last night the council bridge committee met with the representatives of the street railway company in the office of Engineer Washington. The committee formulated a proposition to be submitted to the board of public works at its meeting Wednesday afternoon. It is proposed to build a new bridge over Island creek and as the car company desires to cross it it was suggested that they assume part of the cost of construction.

The report that the committee will send in to the board of works is that the railroad company proposes to pay twenty-five per cent of the cost of construction. The committee requests the board of works to take up the matter and ascertain what a bridge will cost and if the work can be done this year.

City Engineer Washington says he doesn't see how the bridge can be built this year, as his department is now crowded to the limit with work, but Commissioner Barnett, who is chairman of the council committee, says it would be a matter of economy to build it as soon as the present structure is much in need of repairs and this would be saved.

The people of Mechanicsburg are very anxious to have the bridge erected this year, as they are desirous of getting the cars extended to that part of the city as soon as possible.

The board of works will take up the report to the council at the regular meeting tomorrow.

To Bid on Plant.
Mr. Al Foreman, of the Foreman Bros. Novelty company is in Madisonville, Ky., where he will tonight place a bid for his company to install a city electric light plant there. The specifications call for a plant not to exceed \$15,000, and it is said the Paducah firm "got in on the ground floor," and is prepared to make a rock bottom bid.

If some of our dreams came true life would be a nightmare, truly.

IN NATURE'S LABORATORY.

Buried deep in our American forests, many years ago, Dr. Pierce found a beautiful, blooming plant the root of which possesses wonderfully efficacious properties as a stomachic and general tonic, also as an alterative, blood purifier and liver invigorant. Having an especial affinity for all cases of indigestion, it exerts a most salutary, soothing and healing influence.

This sturdy little plant is known to botanists as *Hydrastis Canadensis*, but has several local English names, being generally known as Golden Seal. Dr. Pierce found the root of this common forest plant to possess medicinal principles of great potency, especially when combined, in just the right proportions, with Queen's root, Black Cherry bark, Stone root, Mandrake root and blood-root, the properties of each being extracted and preserved in a chemically pure glycerine of proper strength. This compound Dr. Pierce named his "Golden Medical Discovery," in honor of the sturdy little Golden Seal plant. So little was the root of this plant by the medical profession at that time, that it could be purchased for twenty cents a pound. The use of many tons of this root every year in Dr. Pierce's two leading medicines—for it enters into both "Golden Medical Discovery" and also into Dr. Pierce's Favorite Prescription as one of their most important ingredients—has caused the price of the root to advance until today it commands upwards of a dollar and a half a pound.

DR. PIERCE'S PATENT.

Dr. Pierce believes that in our native forests are to be found an abundance of most valuable medicinal plants for the cure of many distressing and most fatal maladies, if we would only seek them out, test them and learn how and for what diseases to use them. Furthermore, he believes that the vegetable kingdom is the one to resort to for the most harmless remedial agents. They act most kindly upon the human system and are eliminated or carried out of the body by the natural functions without injury, even in cases where it is necessary to make protracted use of them in order to experience permanent cures. Dr. Pierce's medicines being purely vegetable, are perfectly harmless. In other words, while they are potent to cure, being purely vegetable in composition and containing no alcohol, they leave no bad effects behind. This is not generally true when mineral medicines and those containing large percentages of alcohol are taken into the system and their use protracted over considerable periods of time.

Many years ago, Dr. Pierce discovered that chemically pure glycerine, of proper strength, is a better solvent and preservative of the medicinal principles residing in our indigenous, or native, medicinal plants than is alcohol; and, furthermore, that it possesses intrinsic medicinal properties of its own, being demulcent, nutritive, antiseptic and a most efficient anti-ferment.

THEY STAND ALONE.

The fact that neither Dr. Pierce's Golden Medical Discovery, the great stomach tonic, liver invigorant, heart regulator and blood purifier, nor his "Favorite Prescription" for weak, nervous,

over-worked and broken down women contains any alcohol, entitles them to a place all by themselves. They are neither patent medicines nor secret ones either, for every bottle of Dr. Pierce's world-famous medicines leaving the great laboratory at Buffalo, N. Y., has printed upon its wrapper all the ingredients entering into its composition. This is why so many unprejudiced physicians now prescribe them and recommend them to their patients when they would not think of advising the use of a secret nostrum. They know what they are composed of, and that the ingredients are those endorsed by the most eminent medical authorities of all schools of practice.

ALL RIGHTS RESERVED.
The exact working formula for making Dr. Pierce's medicines without the use of a drop of alcohol and preserving them unimpaired in any climate for any length of time, cost Dr. Pierce and his assistant chemists and pharmacologists a tedious course of study. With the use of chemically pure glycerine, of just the right strength, and with laboratory apparatus and appliances especially invented and designed to carry on the delicate processes employed, Dr. Pierce finally found that all the medicinal principles residing in the several native medicinal roots could be most perfectly extracted and better preserved from fermentation than if alcohol was employed.

Besides the glycerine, of itself, possesses the property of greatly enhancing the efficacy of the several medicinal agents employed, whereas alcohol is well known to be objectionable in any medicine to be employed in chronic or lingering diseases, where, at best, treatment must be continued over a considerable period of time in order to make the cure complete and permanent. The exact proportion of the several ingredients used in these medicines as well as the working formula and peculiar processes, apparatus and appliances employed in their manufacture, are withheld from publicity that Dr. Pierce's proprietary rights may not be infringed and trespassing upon by imitators and those who may be plied with such claims.

In favor of Dr. Pierce's medicine is the frank, confiding, open, and statement of their full composition, giving every ingredient in plain English, without fear of successful criticism and with confidence that the good sense of the afflicted will lead them to appreciate this homely, suggestive of confidence to them what they are taking into their stomachs when taking use of these medicines.

A little lack of extracts from many standard medical works of all the different schools of practice, endorsing, in the strongest terms, all the several ingredients entering into Dr. Pierce's medicines and telling what diseases these most valuable medicinal agents will cure, will be mailed free to any address by Dr. R. V. Pierce, of Buffalo, N. Y., on receipt of request for same by letter or postal card.

Dr. Pierce's Pleasant Pellets are largely composed of Podophyllin, the concentrated extract of Mandrake root, and they regulate and invigorate stomach, liver and bowels.

BIG POLITICIANS AND FINANCIERS DIFFER ON SCANDALS.

The Insurance Investigation in New York Causing Conflict Among Old Associates.

New York, May 1.—The April grand jury submitted a presentment to Recorder Goff covering its action on the insurance situation. Prominent figures in the political and financial world are mentioned in the jury's discussion of insurance problems, including Cornelius N. Bliss, treasurer of the Republican national campaign committee; Postmaster General Catey and George W. Perkins, of the firm of J. P. Morgan & Co. The jury also refers to what it calls "the conflict between the Morgan and Harrington forces in the financial world." Recorder Goff accepted the presentment and the jury was discharged.

Appended to the presentment is an extract from the minutes of the grand jury giving a colloquy between members of the jury and District Attorney Jerome after Mr. Jerome had been called to present to it all evidence of any criminality pertaining to any insurance company.

Mr. Jerome's remarks referred to Mr. Bliss and Mr. Perkins, and to a conflict between Messrs. Morgan and Harrington.

Mr. Jerome is quoted as having said that if the contentions of some held true this grand jury would be obliged to indict the leading officers of every prominent financial corporation in the city and state of New York. He said that he had taken advice on this subject from Gov. Folk, of Missouri, and Deneen, of Illinois.

The grand jury in its presentment reported that, after hearing the statement by Mr. Jerome, already quoted, it decided not to enter upon an exhaustive investigation of insurance matters, but to let them go over to a special grand jury this month.

A 13-month-old baby, lost for three days, was restored to its mother at the ferry. The mother, frantic with fear and grief, ran from one railroad station to another and at every station her cry was the same: "Find my baby?" She described it minutely, and a big, red-faced, red-haired Irish teamster set himself the task of finding the baby somewhere among the 300,000 refugees scattered over the peninsula.

Just as the mother was about to give up, the big Irishman met her on her eternal rounds of the relief stations. "Come wid me," he growled as he limped up to her and grasped her by the arm. "Have you found him? Oh, have you done it?" cried the poor mother. "Come wid me" was all the red-headed son of Anak would reply, and some bling, maybe the mother instinct, made her turn and follow.

Back through the gloom of the ferry building they went and in a corner, behind a huge wagon out of use, wrapped in an old coat, lay the baby, wan and weeping, it is true, but safe and sound and hungry.

The mother sank on her knees beside it, the tears and surlies of helplessness on her face, and as the infant snuggled his little head to the founts he had missed so long, the Irishman, happy shifting, tearful and worried to death, crawled into the empty wagon, took the seat cushion for a pillow and stretched himself to sleep.

THE SCHOOL TRUSTEES.

Regular Meeting to Be Held This Evening.

The board of education will meet tonight in regular session to transact business principally of a routine nature.

Reports from committees will be heard and some action will likely be taken towards condemning a model bay window on the E. H. Kelley residence adjoining the Washington school property. The window is on school property and has been ordered removed. It is thought that condemnation proceedings will be inaugurated tonight if the owner does not take immediate action towards removing the window away.

In Supt. Welch's report he will show two teachers tardy last month. They will probably be fined, the board having decided on fining teachers for tardiness at the last meeting.

Latham Is Out.

Edward Latham, the telephone man who was cut accidentally several nights ago in the Pennie Wilson resort on West Kentucky avenue, has been discharged from Riverside hospital. He is able to return to work.

CUT AND SHOT

NEGRO BELLEGRENTS USE KNIFE AND GUN RECKLESSLY.

Roosters on Fowler Use Each Other Up in a Serious Way.

Frank Bowman, alias "Frog Face," and William Stockard, alias "Okla-burn," colored roosters on the steam-er Dick Fowler, are under arrest pending an investigation for shooting and cutting. The two engaged in a fight in which pistols and knives figured prominently, and one was seriously injured.

Witnesses state that the two got into a dispute yesterday afternoon on the boat and renewed it after the craft landed here on her return trip from Cairo last night. "Frog Face" is alleged to have secured a big pistol and wanted to shoot. His opponent is said to be a jolly kind of negro and not of an aggressive nature. When he saw "Frog" coming at him with his hand on the butt of the pistol, "Okla-burn" pulled a knife suddenly and cut "Frog" down the face.

The blade entered on the forehead and split the face in two. "Frog" pulled his gun and began to fire, and was successful in striking "Okla-burn" in the foot, one toe being cut off by the bullet.

Both were arrested immediately after the shooting.

GET THREE TO AN AUTO.

The prediction that mosquitoes will be scarce the coming summer is made by an automobile enthusiast, says the Philadelphia Record. "Automobiles are everywhere now," says this theorist, "and many of them are run by gasoline. That is what is discouraging the mosquitoes. The odor of either the fluid or its vapor is very penetrating. Long after the human being has ceased to smell it it lingers in the atmosphere and affects the breathing apparatus of the dreaded insect."

"As for the man who sits in the car and whose clothing becomes impregnated with the odor, he is absolutely immune from mosquitoes. The only time I was bitten by a mosquito last year was once at Bay Head, N. J. My machine had broken down, and I had to walk five miles in a high wind. I took a bath when I reached Bay Head, and the gasoline smell was so completely dissipated that before I could get my clothes on, a mosquito nipped me."

A VAUDEVILLE THEATER

To Be Opened in the Campbell Building on Broadway.

Paducah is to have a vaudeville playhouse and plans for starting the theater have already started. Leon Loeb, formerly of Alton, Ill., but now of Paducah, has purchased the building now occupied by the Enclave cafe, Hawkins Bros. proprietors, in the Campbell building, and as soon as the cafe can be moved out into new quarters, the new lessee will take charge and begin remodeling the interior.

It is Mr. Loeb's intention. It is said, of giving Paducah an up-to-date vaudeville show this summer. He also intends to try the venture during the winter. He is said to have experience in this line. His lease does not expire until March.

Exposure.

To cold draughts of air, to keen and cutting winds, sudden changes of the temperature, scanty clothing, undue exposure of the throat and neck after public speaking and singing, bring on coughs and colds.

Ballard's Horehound Syrup is the best cure. Mrs. A. Barr, Houston, Tex., writes, January 31, 1902: "One bottle of Ballard's Horehound Syrup cured me of a very bad cough. It is very pleasant to take. Sold by Atvey & List."

WORKING WOMEN

Their Hard Struggle Made Easier—Interesting Comments by a Young Lady in Boston and One in Nashville, Tenn.

All women work, some in their homes, some in church, and some in the whirl of society. And in stores, mills and shops tens of thousands are on the never-ceasing treadmill, earning their daily bread.

All are subject to the same physical laws; all suffer alike from the same physical disturbance, and the nature of their duties, in many cases, quickly drifts them into the horrors of all kinds of female complaints, tumors, necrosis, falling and displacement, or perhaps irregularity or suppression, causing backache, nervousness, irritability and lassitude.

They especially require an invigorating, sustaining medicine which will strengthen the female organism and enable them to bear easily the fatigues of the day, to sleep well at night, and to rise refreshed and cheerful.

How distressing to see a woman struggling to earn a livelihood or perform her household duties when her back and head are aching, she is so tired she can hardly drag about or stand up, and every movement causes pain, the origin of which is due to some derangement of the female organism.

Mrs. F. Orser, of 14 Warren Street, Boston, tells women how to avoid such suffering; she writes:

Dear Mrs. Pinkham—
"I suffered severely for several years with female irregularities. My back ached; I had bearing-down pains, and frequent headaches; and I no longer fear my monthly period."

People and Pleasant Events

Reception to Miss Harris.

The Matinee Musical club will give a reception on Saturday evening after the Walter Damrosch concert in special compliment to Miss Zudie Harris of Louisville, who is with the New York Symphony orchestra as piano soloist. Miss Harris made so delightful an impression when here in March with Hephzibah, both socially and as an artist, that the club, under whose auspices she came then, wish to show her some social attention on this occasion; and, also, to Mr. Damrosch and his orchestra.

The reception will be given in the parlors of the Eagle club house on Broadway, the home of the Matinee Musical club, and each native and associate member will be permitted to invite one guest. All the members will co-operate to make it in every way a charming affair.

Married Last Evening.

Miss Daisy Lehrer and Mr. W. P. Gardner were married last evening at the home of the bride, 730 Kentucky avenue, by Rev. Peter Fields, of the Third Street Methodist church. It was a quiet wedding with only a few friends present. Miss Lehrer, sister of the bride, and Mr. Walter Rooms were the attendants.

The bride is a daughter of Mr. John Lehrer and the groom is connected with the National Life and Accident company. They will reside at the Shelton House on North Sixth street.

Married Last Night.

Mr. Robert L. Payton, an attaché of the Sam R. Gott restaurant, and Miss Mayma Holland, of 412 Kentucky avenue, were married in Mississippi last evening at 6 o'clock by Justice Thomas Liggett. The couple went down on the afternoon boat and returned at 9 o'clock on the Dick Powers. They will reside at the room's home, 409 Kentucky avenue. The bride was formerly cashier at the Whitehead restaurant, where Mr. Payton met her. They are well known and popular young people.

Country Store at Carnival.

The Country Store at the carnival grounds is in charge of the Paducah C. D. C. and the proceeds of the sales are for the local Confederate monument. It is proving a very popular feature of the carnival and is being liberally patronized.

Mrs. Horace Cleugh is chairman of the committee serving at the store today. Mrs. Bertie Campbell was the Monday chairman.

Paducah Married in Mayfield.

Mr. Carlton Powers, of this city, and Miss Lottie Wright, of Mayfield, were married Sunday at the bride's home.

The groom is a popular young man of Mechanicsburg, the son of Mr. John Powers. The bride is an attractive young lady of Mayfield. They will live here.

May Day Reception.

Mrs. Charles K. Wheeler, entertains with a May Day Fete this afternoon at her home on Kentucky avenue. A pretty feature is the May Pole Dance by children.

Body Reception Invitations Out.

Mr. and Mrs. James A. Rudy, of 609 Kentucky avenue, have issued invitations today for the evening of May 9th at 9 o'clock, to meet Mr. and Mrs. James Henry Rudy.

Charity Club.

The Charity club will meet tomorrow morning at the Palmer House. As it is the last meeting of the season all of the chairmen are requested to be present.

Mrs. J. K. Hendrick is in the city again today. She is arranging to move from Smithland here and live at 805 Broadway. It will probably be next week before Mr. and Mrs. Hendrick will be moved.

Mr. Charles Truheart, of Louisville, the well known life insurance man, is in the city on business.

Adrian C. H. Chamblin, who has been in Duquoin, Ill., has returned to the city.

Mr. Will Haffey, formerly a member of the city fire department, is visiting in the city. He is now of Memphis, Tenn.

Mr. W. N. Roblin, of Chicago, the former Paducah queueware merchant, spent Sunday in the city. He left yesterday for Tennessee to visit relatives and will return the last of the week.

Mrs. F. M. Murray, who has been quite ill for a couple of weeks, and yesterday regarded as in a precarious condition is better today as her many friends will be pleased to know. However her age and feebleness make her illness very uncertain.

Attorneys W. A. Webb and J. C. Speight, of Mayfield, are in the city today on legal business.

Mr. Dave Reeves, of Henton, is in the city.

ARRESTED AS SUSPECT.

Red Pierce, colored, charged with robbery at Princeton.

Special Agent Patrick L. Kirk, of the local I. C. south yards, is responsible for a good piece of work in the detection of "Red" Pierce, colored, who is in jail here charged with a breach of ordinance, carrying concealed weapons and grand larceny. There is confusion relative to the latter charge, the authorities being uncertain whether grand larceny or breaking into a caboose will be charged.

Last week a freight train in charge of Conductor Tommy Keegan was side-tracked at Princeton. Some one entered the caboose and took two suits of clothes, an overcoat and pistol. It developed to have been "Red" Pierce, the detective claims, and he has worked out a strong case against the negro.

Pierce was held here for jumping on and off trains and lined in addition for carrying the pistol. He not only entered the caboose and stole the clothes and pistol, it is claimed, but went further and stole a ride to the city on a freight train. He will be taken back to Princeton for trial for the felony charge.

The Carnival.

The carnival opened last night with a very fair attendance for the first night.

All the shows were ready for business, and the first acts were given. The shows will be open every afternoon and night this week.

Will Answer This Week.

Rev. Calvin Thompson, of Denver, Col., called to the First Baptist church here, will give the congregation a definite answer this week. He cannot come before the 20th of this month, however, should he accept.

CITY TAX SALE.

NOT A DEFICIT.

The National Treasury Will Hold \$8,000,000 at End of Year.

Washington, May 1.—With ten months of the fiscal year gone the officials of the treasury department estimate now that there will be a surplus in the treasury at the close of the full twelve months of from \$6,000,000 to \$8,000,000. The conclusion in this connection is the more remarkable in view of the fact that the official estimate of the treasury department at the beginning of the year was that there would be a deficit as great as the present estimated surplus. In making the statement as to the outlook today the treasury expert referred to pointed out that there had been an increase in revenue from all sources of \$29,000,000 in the ten months of the year that have already passed. Of this amount there has been an increase of \$31,000,000 in the receipts from customs receipts and \$13,000,000 from internal revenue receipts.

There was a loss of \$5,000,000 in miscellaneous which is directly traceable to the fact that during the corresponding ten months of last year the Louisiana purchase expedition of St. Louis was paying back into the treasury that amount of money which had been advanced to it by the government, and which appeared in the books of the treasury department under the "miscellaneous" heading. At the present time the working balance of the department amounts to \$55,000,000, which is not so very large an amount compared with balances of the past.

PERMANENTLY ORGANIZED.

The Dark Tobacco Growers County Association Perfected.

The "Dark Tobacco Growers' Association of McCracken County" was organized permanently yesterday afternoon at the county court house. The officers elected are J. W. Morton, chairman; Jeff Coffey, vice president, and R. L. Nelson, secretary. Mr. Morton had been the temporary chairman.

There were about 30 precinct chairmen in attendance and the organization required but a short time. Those who are members of the association pledge their tobacco to it in order to better the price and insure a market for all tobacco.

A telegram announcing a reduction in duty for foreign shipped tobacco, was received here yesterday by W. A. Martin, a prominent retailer. The duty was reduced from 76 to 71 cents on stripped tobacco.

Flood Incarnate.

Richmond, Va., May 1.—A negro supposed to have escaped from officers in Wise county, Va., tried to criminally assault a young girl near Mayking, Ky. After she had made her escape he locked three children in the house, saturated the floors with kerosene and applied a match. A passerby rescued the inmates whose parents were temporarily absent, and extinguished the flames. A posse is searching for the negro.

SCHOOL CENSUS

WORK OF THE TAKERS IS FINALLY COMPLETED.

Will Be Reported Tonight at Regular Meeting of the Board of Education.

The city school census was completed yesterday and the report will be submitted to the school board at its regular meeting tonight. It shows only a comparatively small increase over the whole city. In the First and Second wards there is an increase of 40, while in the Third and Fourth wards there is a decrease of 52. The final report on the Fifth and Sixth wards shows approximately a gain of 150, making the increase for the whole city 138. The census was taken by Messrs. Henry Nunn and H. H. McGuffee in the first four wards and by Mr. James H. Wilcox in the Fifth and Sixth wards.

Total number of school children in city is 6,216. Detail report follows: First Ward—White, 255 males, 282 females, total 537; colored, 187 males, 212 females, total 429; grand total 966.

Second Ward—White, 467 males, 452 females, total 919; colored, 133 males, 122 females, total 255; grand total 1,174.

Third Ward—White, 391 males, 386 females, total 777; colored, 117 males, 130 females, total 247; grand total 1,024.

Fourth Ward—White, 547 males, 539 females, total 1,086; colored, 178 males, 169 females, total 347; grand total 1,433.

Fifth Ward—White, 811; colored, 392. Total 1,203.

Sixth Ward—White, 514; colored, 31. Total 545.

Grand total 1,748.

DOG CATCHING WORK.

Have Ceased From Lack of Catchers.

The dog catching industry, has practically ceased, the dog pound has no dogs or puppies in any way of its canine occupants.

Licenses Inspector George Lehnard is busy and cannot be out with the wagon and Chief Collins says that the work cannot be successfully carried out except by constant application. Rather than work under the unsatisfactory arrangement he has suspended the work until something further can be done by the municipal board.

City Jailer Tom Everts declines anything to do with the matter of taking in the dogs. He states that the wagon is furnished by George Seitz, a nephew, who is working for the city street department, and that Seitz receives 25 cents for each dog taken in by the wagon.

THE PRIZES FOR THE PRETTIEST YARDS IN PADUCAH.

The Sun offers a prize of \$10

cash for the prettiest yard in

each of the six wards of Paducah.

The residents within a half

mile of the city limits being

deemed eligible for the contests.

Besides these prizes for the

prettiest wards, an extra prize

of \$15 cash will be given for the

prettiest yard in the city at

large.

The Sun offers these prizes to

stimulate an interest in hand-

some yards.

The contests will be decided

on July 15th, by a committee

to be selected at a later date.

This morning the gauge registered 16.8, a fall of 9 in the last 24 hours. Weather warm and cloudy.

The Dick Fowler got away a few minutes late at 8:10 with good business in freight shipments. Captain Orider, who has commanded this boat for some years, and who is universally liked among river men, resigned to accept a position with the Falls City packet as captain. His successor has not been appointed yet.

The Clyde arrived last night at 8 p. m., and after unloading a large shipment of peanuts and other freight, went on to Joppa to deliver freight. She will get out tomorrow at 6 p. m. for the Tennessee river.

The J. S. will leave at noon today for Nashville getting to that city next week, as it will stop for excursion parties at Eddyville, Clarksville and other points.

The Buttrick left last night for Clarksville returning here tomorrow when it leaves for Nashville.

The John S. Hopkins will get in today at 11 o'clock leaving at 2 p. m. on her return trip to Evansville.

The Royal is the regular boat for Golconda leaving daily at 2 p. m.

Effects of the heavy rain up the Monongahela valley have practically passed so far as supplying a coal stagnation the Ohio, and yesterday morning the coal city, starting with a small and hurriedly-gathered tow of coal, made its way South. The river fell steadily all day, and last evening, at Davis Island Dam, registered 8.1 feet, and falling with steady regularity. The rivermen do not look for any immediate change in the conditions here. Pool boats are, however, busy bringing loaded boats and barges from the mines to the harbor, and during yesterday kept the

laborers busy filling them up into form for movement. Packets are expected to operate for a time yet as there is still plenty of water for them.

A Knoxville, Tenn., dispatch says sixteen survivors of the Safford disaster, responded to their names at the roll call today on the fortieth anniversary of the disaster, which cost the lives of over 1,500 federal soldiers during the civil war. A large number of those killed were from the immediate section here and several survivors lived in this section. Colonel Sam Pickens presided. Six of the sixteen grizzled veterans related the story of their escape amid terrors. The address was made by Captain William Hale.

River forecasts: The Ohio at Evansville, no material change during the next 36 to 48 hours. From Mt. Vernon to Cairo, will continue falling during the next three or four days. The Tennessee from Florence to the mouth, not much change during the next 36 hours. The Mississippi from below St. Louis to Cairo, will continue falling during the next 36 hours.

MRS. JOHNSON'S FUNERAL.

Delay in Arrival of Body Defers Burial Until Tomorrow.

The body of Mrs. Elizabeth A. Johnson, who died suddenly in St. Louis Sunday night, will not reach Paducah until tomorrow morning, the delay being due to complications arising in the issue of a death certificate in St. Louis.

Mrs. Johnson's death was sudden, and necessitated an investigation by the coroner. The result was "death from bloodlet on the brain." Mrs. Johnson had been ill of a gripe several weeks ago but had recovered and was up and about the house. She was suddenly stricken and died a short time after losing consciousness.

This morning Mrs. Chloe Wilson, a daughter of the deceased, and her son, Mr. Joe Wilson, arrived from St. Louis, but the body of the deceased did not come. It will be shipped today and will arrive tomorrow. Mr. Joseph Y. Johnson, a son, will accompany it to Paducah.

The funeral will be held tomorrow (Wednesday) afternoon at 3 o'clock, with services at the residence of Mrs. Charles Johnson, 412 Clark street, and interment at Oak Grove. All friends are invited without further notice.
